

EXECUTIVE DIRECTOR

KEY RESPONSIBILITIES

The Executive Director is accountable for integrated leadership and outcomes across the following core areas: • Fundraising; • Advocacy; • Brand and communications; • People and culture; • Governance and operational management; • Relationship with the global UNICEF organization.

PERSONAL PROFILE/ REQUIREMENTS

The Executive Director of UNICEF Lithuania will be a values-driven, inspiring leader with proven experience of shaping strategy and delivering outstanding operational results in a diverse and multifaceted stakeholder context. The Executive Director will have exceptional communication and ambassadorial skills, and will demonstrate passion and an understanding of UNICEF's mandate and mission. Candidates will have experience in working in a complex organization (international experience would be an asset) and bring relevant skills to become exceptional advocates for UNICEF's work for children.

Experience/Knowledge

- ✓ Sophisticated understanding of fundraising for a not-for-profit and a track record in growing revenue and influence.
- ✓ Demonstrably successful senior leadership or management experience.
- ✓ Postgraduate qualifications in a relevant discipline.
- ✓ Proven ability to operate effectively in an international organizational environment, managing interactions with diverse stakeholders.
- ✓ Knowledge of human rights (preferably child rights), humanitarian/emergency response and/or international development.
- ✓ Excellent judgment and an ability to advance UNICEF Lithuania's priorities and interests within government and international settings.
- ✓ Skilled communicator, able to interact comfortably with all levels of the organization and external constituencies, including the media. Proven ability to work effectively across different cultural contexts.

Salary range: 2900EUR gross.
